Subject: Tailings conference - October 2010

Hi Michael,
Welcome back.

I would like to attend the conference about mine tailings. I have been looking for such a conference to bring my knowledge of tailings management up to speed. This is one of the main issues for Pebble and probably the most significant. The cost for attending is \$895. Can ARU split that cost with AOO? I have ARE funds that I can put toward travel, but probably not enough to cover tuition.
